## MRI: CARDIOVASCULAR FORM

Name: \_\_\_\_\_ Date of Birth: \_\_\_\_\_ MRN #: \_\_\_\_\_

Gender:  Female  Male      Height: \_\_\_\_\_ Weight: \_\_\_\_\_

Race/Ethnicity:  Caucasian  African American  Hispanic  Asian  Other \_\_\_\_\_

Has a doctor ever said that you have high blood sugar?  Yes  No

Do you have diabetes?  Yes  No

If yes, for approximately how many years have you been treated for this: \_\_\_\_\_

Has a doctor ever told you that you have high blood pressure?  Yes  No

Do you take medication to lower your blood pressure?  Yes  No

Have you ever smoked at least 1 pack cigarettes/month?  Yes  No

Are you smoking cigarettes now?  Yes  No

Has a doctor ever told you that you have high cholesterol?  Yes  No

Do you currently take medication to lower your cholesterol?  Yes  No

Have any of your children, brothers, sisters, or parents been diagnosed with heart disease (coronary artery disease) when younger than 55 years old (men) or 65 years old (women)?

Yes       No       Unknown

Have you ever been told by a doctor that you had a stroke?  Yes  No

If yes, dates: \_\_\_\_\_

Have you ever been told by a doctor that you had a mini-stroke or "TIA"?  Yes  No

If yes, dates: \_\_\_\_\_

Do you take aspirin daily?  Yes  No

Has a doctor ever told you that you had a heart attack?  Yes  No

If yes, list dates (month/year): \_\_\_\_\_

*(Office use)*

## MRI: CARDIOVASCULAR FORM

Have you ever had an angioplasty or heart stent?       Yes       No

If yes, list dates (month/year): \_\_\_\_\_

Hospital (if known): \_\_\_\_\_

Have you ever had coronary artery bypass (CABG) surgery?       Yes       No

If yes, list dates (month/year): \_\_\_\_\_

Hospital (if known): \_\_\_\_\_

Have you ever had heart valve surgery?       Yes       No

Have you ever had atrial fibrillation?       Yes       No

If yes, did it last for more than 7 days?       Yes       No

Did it require medications or cardioversion for treatment?       Yes       No

Have you experienced two or more episodes of atrial fibrillation?       Yes       No

Do you experience chest pain, shortness of breath, marked fatigue, or palpitations ("heart fluttering") with the following:

Ordinary daily activities       Yes       No

Less than ordinary activity       Yes       No

Unable to carry out any physical activity without symptoms       Yes       No

Please list all the medications that you take at home:
