Weill Cornell Imaging & Connect

NewYork-Presbyterian | **Weill Cornell Medicine**

After your visit with us at Weill Cornell Imaging at NewYork-Presbyterian, you can access reports, view images, and share studies through Connect. Connect is a single patient portal for Weill Cornell Medicine, NewYork-Presbyterian, and Columbia University Irving Medical Center.

Please review the guide below on how to electronically view, download and share studies through Connect.

For more information and answers to your questions, please visit: https://bit.ly/WeillCornellConnectFAQ

PATIENT GUIDE

Account Set-Up

1. After discussing Connect with our staff, you will receive a text or email with a link to enroll.
   If you did not receive an email or text with this link, please call us at 212-746-6000.
2. Click the link and enter information as indicated.

Logging In

1. Option 1: In your web browser, enter www.myconnectnyc.org to access the login page. Option 2: Download and open the Weill Cornell Medicine app to launch Connect. You may also use this QR code.
2. Enter your Connect username and password and click "Sign In."

Accessing Radiology Images

1. Once logged in, click on 🧪 **Test Results**
2. All of your test results done at WCM will appear. Locate and click on your 🖼 imaging exam.
3. Your written radiology report will populate. Scroll to the end of the report and click "Show images."
4. This will launch a new window where all of your past imaging studies will appear as shown below.
   If you see "🔄 Retrieve " please click to pull your imaging study from our system.

Download
Downloads include images, reports, and software for viewing images offline.

Share

1. After you click "Share," as described on the reverse side, the window below will appear. "Message to recipient" is optional.
   If you are using a mobile device, you may notice that the share button is missing. Please turn screen horizontally and refresh browser.

2. Click the "Email" tab and carefully enter the email address of the person with whom you want to share your study.
   You are responsible for entering an accurate email address.

3. Click "Share Studies"
   The recipient will receive an email notification that you have shared your study with them. They must click the link in the email which will take them to our registration process. After they register they can log in and view your study.
   Note: If you share your study with someone, they will be able to share your study with others.

Download

Studies download as zipped files, that must be un-zipped after download

To unzip:
> **Windows OS**
> > Right click the zipped file, and select "Extract All"
>
> **Mac OS**
> > Double click the zipped file, it will automatically unzip
