

Weill Cornell Imaging at NewYork-Presbyterian Cloud, powered by Ambra, is a cloud-based imaging sharing platform that allows patients and physicians to access reports and view images faster and more efficiently than ever before.

Please review the guide below on how to electronically access images and reports through the portal in our cloud.

For any technical questions or concerns, please contact Ambra support directly at **888.315.0790**. For all other issues, please contact our medical records department at **212.746.2542** or **WCINYPmedrec@med.cornell.edu**.

PATIENT GUIDE

Accessing the Patient Portal

You will receive an email 24-48 hours after your exam is completed with instructions on how to access the portal. Instructions are listed below. The images from your exam will be available to you upon log in. The final report will be sent to your ordering provider and will become available to you 5 business days after the exam date.

- 1 Visit: **wcinyp-accessmyimaging.ambrahealth.com/access**
- 2 To log in, enter:
 - Patient's First Name
 - Patient's Last Name
 - Patient's Date of Birth
- 3 Read and scroll through the terms and conditions, then click submit
- 4 Select the email address or mobile phone in order to receive a security pin

*If you need to update your email address or mobile phone, please call our medical records department at **212.746.2542**, M-F 8am-7pm or Saturday 9am-4pm*

Using the WCINYP Cloud

Download

Downloads include images, reports, and software for viewing images offline. More on reverse side.

Share

Check a box or boxes. Then click share. More on reverse side.

Share

- 1 After you click "Share", as described on the reverse side, the window below will appear
"Message to recipient" is optional
- 2 Click the "Email" tab and carefully enter the email address of the person with whom you want to share your study
You are responsible for entering an accurate email address
- 3 Click "Share Studies"

The recipient will receive an email notification that you have shared your study with them. They must click the link in the email which will take them to our registration process. After they register they can log in and view your study.
Note: If you share your study with someone, they will be able to share your study with others.

Download

Studies download as zipped files, that must be un-zipped after download.

To unzip:

Windows OS

Right click the zipped file, and select "Extract All"

Mac OS

Double click the zipped file, it will automatically unzip.
